Enhancing Today, Securing Tomorrow

Change Your Beneficiary, Change the World

Do you want to change the world?

It's an easy question. *Of course* you want to make a difference. *Of course* you want to safeguard what matters most to you—the core values that have shaped your life and given it rich meaning are the root of the legacy you wish to leave behind.

But while the sentiment is easy to muster, it isn't always easy to act upon. If you care deeply about enhancing the lives of Westminster residents and team members, how do you ensure your passion lives on far into the future?

Fortunately, there is a simple way to make sure what you love, lasts—and it's easier than you may think. Creating a **beneficiary designation gift** is simple and does not cost you anything now. Instead, it allows you to take savings you have accrued over time and put it to good use.

You can also designate percentages, so that your loved ones are protected.

The following assets allow you to designate a beneficiary or beneficiaries:

- Retirement plans
- Individual retirement accounts (IRAs)
- Life insurance policies
- Donor advised funds
- Bank or brokerage accounts

The legacy you leave behind could help support our residents and our communities. The options are as endless as your generosity.

 All it takes is a few minutes and a simple form to complete your gift. You may even be able to change your beneficiary designation online. That small effort can result in transformative change for a nonprofit like the Westminster Communities Foundation. Contact your Foundation Office or visit westminstercommunitiesfl.org/foundation today to learn more.

CGA Rates Have Gone Up Again!

The news keeps getting better for the gift that pays you: a charitable gift annuity (CGA).

For the second time in just six months, payout rates have increased. They are now higher than they have been in more than a *decade*, making now a great time to consider this gift that benefits you and the Westminster Communities Foundation.

This amazing gift provides you with stable, regular income—regardless of the economy. After your lifetime, the remaining amount becomes part of your legacy at the Westminster Communities Foundation, allowing us to thrive far into the future.

How It Works

With a CGA, you make a donation using cash, marketable securities or other assets, and we, in turn, pay you a fixed amount for life. You'll receive reliable, predictable payments for your lifetime (and the lifetime of a loved one, if you choose).

NEW OPTION FOR YOU! If you are 70½ or older, you can now make a one-time election for a qualified charitable distribution of up to \$50,000 (without being taxed on the gift) from your IRA to fund a CGA. Some limitations apply, so contact your Foundation Office for more details and a personalized sample at no obligation.
